*A Day with No Words*

## ABOUT ME

Tiffany is an Autistic self-advocate and mother to two teenagers who are diagnosed with Autism as well. She is a storyteller who uses her stories to inspire thought leadership that challenges the perception of Autism as a lifelong burden, cultivate a community that explores the concept of Intersectionality, and encourages others to live whole.

## A DAY WITH NO WORDS

TIFFANY HAMMOND

**A MUST-READ THAT  
BELONGS IN EVERY HOME  
AND CLASSROOM.**

A Day With No Words invites readers into the life of an Autism Family who communicates just as the child does, without spoken language.

### INTRO

A large part of human communication is nonverbal, and yet they world cannot understand nor accept when someone does not speak at all. It's time we think more deeply about how we interact with one another and understand that our worth is not tied with out ability to speak.

Imprint: Wheat Penny Press

On sale: May 9, 2023

Price: \$17.99

Pages: 48

ISBN: 978-1736949795

### AUTHOR BIO

Tiffany Hammond (she/her) is the voice behind the Fidgets and Fries platform. She is an Autistic mother, advocate, and storyteller who uses her personal experiences with Autism and parenting two Autistic boys to guide others on their journey. Tiffany has a Masters in Developmental Psychology and spends her time teaching, coaching, and mentoring others in Disability Justice issues. Her activism is rooted in challenging the current perception of Autism as a lifelong burden, cultivating a community that explores the concept of Intersectionality and inspiring thought leaders through storytelling, education, and critical discourse.

### BOOK BIO

This colorful and engaging picture book for young readers shares what life can look like for families who use nonverbal communication, utilizing tools to embrace their unique method of "speaking." The story highlights the bond between mother and child and follows them on a day where they use a tablet to communicate with others.

# A Day with No Words

The story highlights the bond between mother and child and follows them on a day where they use a tablet to communicate with others. "A Day With No Words" successfully normalizes communication methods outside of verbal speech and provides representation of neurodiversity and autism in a way that affirms and celebrates.
